

## CCII Presentations [as at August 2016]

- Allan, C. "Money, sunshine, and rain: Exploring the drivers of rural land values in New Zealand over time and space". Presentation to the 60th annual AARES conference, Canberra, 2-5 February 2016. (Winner of 'Heading West' award).
- Anderson O. "Deepwater coral distributions in the seas around New Zealand - present and future," presented at the NZMSS Conference, Wellington, July 7th 2016.
- Barron MC, Pech R, Christie J, Byrom A. "RA2 Alpine Case Study Update", presented at the CCII all-in workshop, Wellington, 24-25 September, 2015.
- Bell, R.G. "Coastal adaptation and planning: Auckland case studies", presentation to a visiting government-agency delegation from Singapore comprising the Building Construction Authority, Environment Agency, Surbana-Jurong and DHI, NIWA Auckland Seminar Room, 20 January, 2016.
- Bell, R.G. "Rising challenges for our coastal areas". Public talk in series "What is there to lose? Climate change for everyone", organised by the Waikato Branch, Royal Society of NZ. Civic Reception Lounge, Hamilton City Council, Hamilton, 7 June, 2016.
- Blackett P. "Co-producing climate knowledge, 3: Communities of practice and co-production". Presented at the NCCRF Conference, Gold Coast, September 29-October 2 2014.
- Bodeker, G. "Changes in extreme weather events over New Zealand through the 21st century". Presented at NZ Meteorological Society, November 2014.
- Cameron, M.P. and Poot, J. "Developing a systems-based multi-region stochastic population projections model for New Zealand". Presented at the Australia and New Zealand Regional Science Association International 38th Annual Conference, Christchurch, 1-4 December 2014.
- Cameron, M.P. and Poot, J. "Projecting future inter-regional migration using age-gender-specific gravity models – Application to New Zealand". Presented at the 16th Conference on Labour, Employment and Work, Wellington, 27-28 November 2014.
- Cameron, M.P. and Poot, J. "Developing a systems-based multi-region stochastic population projections model for New Zealand". Presented at the 61st Annual North American Meetings of the Regional Science Association International, Washington, D.C., 12-15 November 2014.
- Collins, D., Zammit, C. Springer, J, Sood, A , Stuart, S. and Mullan, B.. "Climate change impacts for New Zealand's river flows and soil moisture based on CMIP5". Presented at the New Zealand Hydrological Society Annual symposium, Hamilton, 1-4 December 2015.
- Craddock-Henry, N. "Co-producing climate knowledge 1: Climate impacts and decision implications". Presented at the NCCRF Conference, Gold Coast, September 29-October 2 2014.
- Craddock-Henry, N. "Climate change resilience and supporting transformation in the hill country". Paper presented at "East Coast Hill Country Symposium", Hawkes Bay Regional Council, Hastings, New Zealand, 29-30 October, 2015.
- Daigneault, A., Teixeira, E., Keller, L. and Ausseil, AG. Five presentations on the RA2 case study modelling work, at the Motu Land and Climate Economics Workshop, 30 May, 2016.

- De Monchy, P. "Planning for Climate Change in the Bay of Plenty: a Kaituna Catchments Perspective", presented at the Climate Change Conference: Sustainable economic growth that doesn't cost the earth!, 9-10 March, 2016.
- Dunningham, A. "Decision making in forestry enterprises". Oral presentation at The European Climate Change Adaptation Conference (ECCA) 2015, Copenhagen, Denmark.
- Flood, S. "Communicating across disciplines in the climate change sphere". Department of Geography Seminar, Hunter College, The City University of New York (CUNY), New York, May 2014.
- Flood, S. "Enhancing adaptive capacity through communities of practice in New Zealand". Conference proceedings from Resilient Cities 2014: 5th Global Forum on Urban Resilience and Adaptation, Bonn, August 2014.
- Flood, S. "Determining and meeting needs for climate change adaptation decision-making in New Zealand". Geography Seminar Series, University of Exeter, UK, Jan 2015.
- Flood, S. "How to communicate climate change for decision-making? Learning-by-asking". Oral presentation at The European Climate Change Adaptation Conference (ECCA), May 2015, Copenhagen, Denmark.
- Flood, S. "Determining and meeting needs for climate change adaptation decision-making in New Zealand through co-created Infographics." Seminar at the Australian-German Climate and Energy College, University of Melbourne, Australia, May, 2016.
- Greenaway A, Awatere S, Blackett P, Cradock-Henry N, Dunningham A, Flood S, Harmsworth G, Lawrence J. "Assembling climate adaptation knowledge in New Zealand: researchers navigating ethics and practices of down scaled modelling". An invited presentation to: Better together? Reconciling the supply of, and demand for, climate knowledge in adaptation decision-making. Cumberland Lodge, The Great Park, Windsor, UK. Hosted by Leeds University, 9–11 September 2014.
- Hoffmann H, Zhao G, Asseng S, Bindi M, Biernath C, Constantin J, Coucheney E, Dechow R, Doro L, Eckersten H, Gaiser T, Grosz B, Heinlein F, Kassie BT, Kersebaum K-C, Klein C, Kuhnert M, Lewan E, Moriondo M, Nendel C, Priesack E, Raynal H, Roggero PP, Rötter RP, Siebert S, Specka X, Tao F, Teixeira E, Trombi G, Wallach D, Weihermüller L, Yeluripati J, Ewert F. "Analysing data aggregation effects on large-scale yield simulations", presented at International Crop Modelling Symposium, 15-17 March 2016, Berlin.
- Jackson, N., Pool, I., and Cameron, M.P. "The mechanisms of subnational depopulation". Presented at the Population Association of New Zealand Conference, Hamilton, 29-30 June 2015.
- Jackson, N., and Cameron, M.P. "The unavoidable nature of population ageing", presented at the Population Association of New Zealand Conference, Hamilton, 29-30 June, 2015.
- Jackson, N., Pool, I., and Cameron, M.P. "The mechanisms of subnational depopulation", presented at the Population Association of New Zealand Conference, Hamilton, 29-30 June, 2015.
- Khadka, D., Caruso, B, and Zammit, C. "Modelling climate change effects on spatial variability in subcatchment flows in a mountain basin in New Zealand". Presented at the American Geophysical Union, San Francisco, USA, December 2014.

- Kremser, S. Poster titled "Changes in extreme climate events over New Zealand from the beginning to the end of the 21st century" was presented at the International Conference on Southern Hemisphere Meteorology and Oceanography (ICSHMO), Santiago, 5-9 October 2015.
- Kuhnert M, Yeluripati J, Smith P, Hoffmann H, Constantin J, Coucheney E, Dechow R, Eckersten H, Gaiser T, Grosz B, Haas E, Kersebaum KC, Kiese R, Klatt S, Lewant E, Nendel C, Raynal H, Sosa C, Specka X, Teixeira EI, Wang E, Weihermüller L, Zhao G, Zhao L, Ewert F. "Impacts of soil and weather data aggregation in spatial modelling of net primary production of croplands", presented at International Crop Modelling Symposium, 15-17 March 2016, Berlin.
- Law C.S. "Future outlook for Coccolithophores in New Zealand waters". Presented to University of Otago Department of Chemistry, 24/7/2015.
- Law C.S. "Climate Change & Ocean biota". Guest lecture, Applied Marine Biology (372), School of Biological Sciences, University Victoria Wellington, 3/08/2015.
- Law, C. "The Marine Case Study", presented at the All-In workshop, CCCII programme, CQ Hotel, Wellington, 24/9/2015.
- Law, C., Rickard, G., Behrens, E., Chiswell, S. and Mikaloff-Fletcher, S. "What does the future hold for the ocean around New Zealand? Projections from the CCII project". Presented at the 9th NZ Ocean Acidification Workshop, Victoria University of Wellington, 8/7/2016.
- Lawrence, J. "Co-producing climate knowledge, 2: Communities of practice and decision-relevance". Presented at the National Climate Change Adaptation Research Facility Conference, Broadbeach, Queensland, Australia, September 29- October 2, 2014.
- Lawrence, J. "Presentation to Deep South Engagement team on the Findings of the CCII RA4 project", Victoria University of Wellington, New Zealand, 29 June 2016.
- Lawrence, J. "Adaptive pathways: positioning adaptation within a decision context". Lecture to ENV: 528, School of Geography Environment and Earth Sciences, Victoria University of Wellington, New Zealand, 11 April 2016.
- Lawrence, J., Haasnoot, M., Kwadijk, J. "From theory to practice: A timeline of interventions by a change agent with the developers on the Dynamic Adaptive Policy Pathways". Paper presented at the Third Annual Workshop on Decision making under Deep Uncertainty, DELTARES, Delft, The Netherlands, November 2015.
- Lawrence, J. "Flexible decision making for uncertainty and dynamic climate change: A New Zealand/Netherlands decision 'experiment'". Presentation to GED seminar series, School of Geography Environment and Earth Sciences, Victoria University of Wellington, New Zealand, 6 August 2015.
- Lawrence, J., Haasnoot, M., McKim, L., Atapattu, D., Campbell, G. "A decision tool in practice: experiencing 'deep uncertainty' that changed the game". Paper presented at European Climate Change Adaptation Conference, Copenhagen, Denmark, 12-14 May 2015.
- Lawrence, J. "Research and practice sharing from New Zealand: Flexible decision making for uncertainty and dynamic change". Paper presented Public talk series at Deltares, the Netherlands, 20 May, 2015.

- McBride, G.; Bell, R.G. "Update on the coastal case studies, Research Area 2", presented to a multi-agency workshop for the Climate Changes Impacts and Implications project, CQ Hotel, Wellington, 24-25 September, 2015.
- McBride, G., Swales, A., Bell, R., Pritchard, M., Reeve, G., Lundquist, C. "Case study 4: Habitats and Hazards", presented to a multi-agency workshop for the Climate Changes Impacts and Implications project, CQ Hotel, Wellington, 24-25 September, 2015.
- Mikaloff Fletcher, S.E. , Bostock, H.C., Williams, M., Rickard, G. "Present and Future Acidification in New Zealand's Exclusive Economic Zone (EEZ)". Presented at the 8th New Zealand Ocean Acidification Workshop, Dunedin 9-11 February 2015.
- Pech, R., Barron, M., Byrom, A., Christie, J. "Mega-masts and the costs of pest control: past, present and future", presented at NETS2015 conference, Dunedin, 26-27 August 2015.
- Pech R, Barron M, Byrom A, Christie J "Two mega-masts in 3 years: is this the new norm?", presented at Biosecurity Bonanza, Christchurch, 17 May, 2016.
- Poot, J., Alimi, O., Cameron, M.P., and Maré, D. "The gravity model in spatial demography: the successful comeback of an ageing superstar", presented at the 8th International Conference on Population Geographies, Brisbane, 30 June-3 July, 2015.
- Reisinger, A. "Climate change scenarios to 2100", at RA2 workshop for marine stakeholders, at NIWA Wellington, 10/08/2015.
- Reisinger, A. "Climate change scenarios to 2100", at RA4 workshop for local government, at Victoria University, Wellington, 08/12/2015.
- Reisinger, A. "Scenarios to understand Climate Change Risks and Implications for New Zealand", at RA5 workshop on scenario development for high-level national stakeholders, at The Treasury, Wellington, 18/04/2016.
- Rickard, G. J. "Future predictions from an assessment of CMIP5 global biogeochemical models for the New Zealand Exclusive Economic Zone (NZ EEZ)". Presented at New Zealand Marine Sciences Society annual conference, Nelson, NZ, 12-14 August 2014.
- Rickard, G. J. "CMIP5 Biogeochemical Model Projections of the NZ EEZ Oceanic State: Assessment and Outcomes". Presented at NZ Meteorological Society, November 2014.
- Rickard G.J. "CMIP5 Biogeochemical Model Assessments for the NZ EEZ and the Ross Sea Region: Present Day Performance, and Scenario Predictions". Presented at the NZMSS Conference, Wellington, July 4th 2016.
- Sood, A. "New Zealand's changing climate: The next 100 years (from CMIP5 projections)", presented at Victoria University Wellington, August 2015.
- Sood, A. "AR5 climate projections for the next 100 years: Implications for New Zealand and the Wellington region", presented at Greater Wellington Regional Council, November 2015.
- Sood, A. "New Zealand's changing climate on multi-decadal time scale: Paleoclimate Hindcasts and Future Projections", presented at GNS, Avalon Upper Hutt, December 2015.

Teixeira EI, Zhao G, Ruitter J, Brown H, Ausseil AG, Meenken E, Ewert F. "Uncertainty due to Genotype and Management in wide-area maize simulations", presented at International Crop Modelling Symposium, 15-17 March 2016, Berlin.

Zammit, C. Graham, S., Dudley, B., Sood, A and Springer, J. "Climate change impacts on hourly precipitation across New Zealand". Presented at the New Zealand Hydrological Society Annual symposium, Hamilton, 1-4 December 2015.

Zammit, C. Graham, S., Dudley, B., and Sood, A. "Climate change impacts on hourly precipitation across New Zealand". Presented at the New Zealand Meteorological Society Annual symposium, Raglan, 23-25 November 2015.
